**The Surgery, Athenry Primary Care Centre**

Raheen, Athenry, Co. Galway H65 KH93

---

*Congratulations on your pregnancy*

---

**You have signed to enroll in the Mother & Infant Scheme. This scheme covers the cost of 6 visits to a Midwife or Practice GP in The Surgery relating to your pregnancy and a 2 & 6 week post-natal review. Patients with diabetes or hypertension may have up to 3 additional visits to the Practice Nurse/Midwife during their pregnancy.**

**Care for other illnesses not related to your pregnancy, are not covered by this scheme. These should be booked in for a different appointment at a different time with your own GP.**

**Items not covered:**

- Medical issues unrelated to pregnancy e.g. respiratory tract infection
- Blood tests e.g. thyroid function, hemoglobin checks
- Private certs for work

**The visits covered are as follows:**

- Booking visit (before 12 weeks) – Your own Practice GP
- 24 weeks visit – Practice Midwife
- 28 weeks visit (Unless first pregnancy) – Practice GP (Hospital visit if first pregnancy)
- 30 weeks visit – Practice Midwife
- 34 weeks visit – Designated Practice GP
- 37 weeks visit – Practice Midwife
- 39 weeks visit – Practice Midwife

- 
- Post Natal 2 week after birth of baby visit – Practice Midwife (baby only check), baby must be registered with the practice before the appointment
  - Post Natal 6 week after birth of baby visit – Designated Practice GP (baby and mum check), You must book two appointments, one for baby and one for mum

**We hope that your pregnancy goes well for you and that you can enjoy this exciting time.**
